What *Assisted Living* Means for You and Your Loved One.

You want the very best for your loved one, and that means giving them a community that truly stands out from the rest—The Villas. Built on distinctive services, our residents enjoy Concierge Services and exciting new experiences—flavorful meals among friends, cocktail hours and live entertainment in the theater, discovering new talents in the art studio, or remaining active with an afternoon swim or morning Tai Chi class—all within steps of their residence.

Our residents thrive thanks to The Villas' innovative approach to care, including exclusive membership in ReviteWellness—a cutting-edge program designed to enhance vitality and neutralize chronic diseases. Through a proprietary combination of stress reduction, brain stimulation, physical fitness, unmatched access to physicians and specialists, and strengthened interpersonal relationships, ReviteWellness invigorates residents so they can experience the plentiful amenities available each day.

At The Villas', life is all about the big picture—creating a wellness plan that combines a healthy lifestyle, intellectual engagement, and active, social outlets with friends and neighbors, giving residents the pride and enjoyment that accompanies vibrant living. At The Villas', we make a difference by being different, giving you peace-of-mind, with attentive personalized care for your loved one in an amenity-rich environment they deserve.
