## At The Villas of Manalapan, "care" isn't just a word, *it's a mission.*

**Inspired Living Memory Care** provides those diagnosed with Alzheimer's and other forms of dementia or cognitive challenges a place to lead enriching, rewarding lives by using the best in person-centered care to embrace positive moments.

Our residents continue to lead vibrant lives. They spend their time in a strong community atmosphere surrounded by friends, neighbors, and caring staff. Every day, brain training and stimulation help build mental acuity. This, along with engaging activities like games, movies, and overall warm companionship define a lifestyle that's full of discovery and vitality.
